

Leeds150

What will our legacy be?

Leeds150 is bringing together young people from across Leeds to address the challenge: "How do we act together to make Leeds a cleaner, greener place for all by 2043?" Run online, across four days in June, this is your opportunity to work with other young people, develop your skills, meet established Leeds leaders and tackle a real social challenge facing the city.

Why join Leeds150?

- Develop and practice leadership skills such as problem solving, communication and team working
- Build connections with your peers and established leaders across Leeds
- Earn a micro-credential that you can display on your LinkedIn profile and CV
- Additional opportunities to receive one of a limited number of free, personalized leadership coaching sessions

Dates: 24-25 and 28-29 June 2021

"This programme has really helped me develop my confidence, before I would have shied away from group conversations. I feel super confident and cannot thank this amazing team enough."
